

FLORIDA STATE
UNIVERSITY

Spring 2020

Deans & Chairs Meeting

Research at FSU

Laurel Fulkerson

Associate Vice President for Research

Vice President, FSU Research Foundation

FLORIDA STATE
UNIVERSITY

Today's Topics

- COVID-19 research subcommittee
- Interdisciplinary Research & Commercialization Building (IRCB)
- Foreign influence/research integrity concerns
- Krafft professorships (formerly Eppes)
- Big bets
- ORD news
- RAMP updates

FLORIDA STATE
UNIVERSITY

COVID-19 research working group

- Formed to discuss ramifications of virus on research activities, e.g.
 - Central and other staffing for proposal submission and post-award
 - Access to labs and offices in case of closure

FLORIDA STATE
UNIVERSITY

Interdisciplinary Research Commercialization Building

MORES

FLORIDA STATE
UNIVERSITY

Foreign influence concerns

- Forthcoming HR policy requiring foreign talent disclosure for new hires
- New FDA short-term international visitor registration form
- Most up-to-date information here:
<https://www.research.fsu.edu/research-compliance/foreign-influence/>
- If in doubt, talk to us!

FLORIDA STATE
UNIVERSITY

Krafft Professorships

- New name for Eppes professorships, as of January 2020

FLORIDA STATE
UNIVERSITY

“Big Bets” program

- Goal is to increase (especially) private foundation funding
- Will start with a handful of centers and institutes, working to scale up their funding

FLORIDA STATE
UNIVERSITY

Office of Research Development Activities

- Collaborative Collision on Justice, April 14
- NSF CAREER workshop, happening right now
- Joining forces with FAMU to offer two-day NIH workshop— more info soon!

FLORIDA STATE
UNIVERSITY

Research Administration Management Portal

- ACUC module: *implemented (upgrade fall of 2020)*
- IRB module: *implemented (upgrade this spring)*
- Agreements Module (Non-financial) *implemented*
- Grants Module and Agreements Module (financial) *in development; to be implemented July 1*
- Export Controls Module *to be implemented fall 2019*

FLORIDA STATE
UNIVERSITY

Research Administration Management Portal

- Benefits of Grants Module
 - System to System Submission for most federal proposals
 - Portal provides access to multiple modules
 - Transparency, metrics
- Considerations regarding impact on IRB workload:
 - Data could not integrate from previous system
 - Significant changes in management of human subjects
 - Recent and upcoming improvements coming from OHSP

FLORIDA STATE
UNIVERSITY

Research Administration Management Portal

- Currently Occurring
 - Visits to departments and Town Halls
 - Testing
- Upcoming
 - Training
 - Communication – listservs, Research Newsletter, standing meetings, Project Champions
 - More information at ramp.research.fsu.edu

FLORIDA STATE
UNIVERSITY

- Thank you!
