# RESEARCHRESEARCHRESEARCH RESEARCHRESEARCHRESEARCH

Studious inquiry or examination especially:  
investigation or experimentation aimed at  
the discovery and interpretation of facts,  
revision of accepted theories or laws in the  
light of new facts, or practical application of  
such new or revised theories or laws.

# Broad Goals

1. Develop people and programs that support research growth and reduce barriers.
2. Invest strategically to drive creativity, scholarship, and innovation.
3. Support the transfer of creative works and discoveries to improve society.
4. Promote FSU's research brand and reputation.
5. Leverage partnerships and collaborations to drive impact.

Early thoughts on  
growing research,  
scholarship and  
creative activities at  
FSU!

# 1. Ease barriers for researchers

- Team Development
  - Collaboration events
  - Seed programs and partnering incentives
  - Proposal development partners
- Proposal support
  - OVPR office and local support
  - Update and train researchers on RAMP
- Awards management
  - Seamless contract negotiation
  - Reporting assistance
  - Stewardship
- Compliance Assistance
- Explore Research Incentives

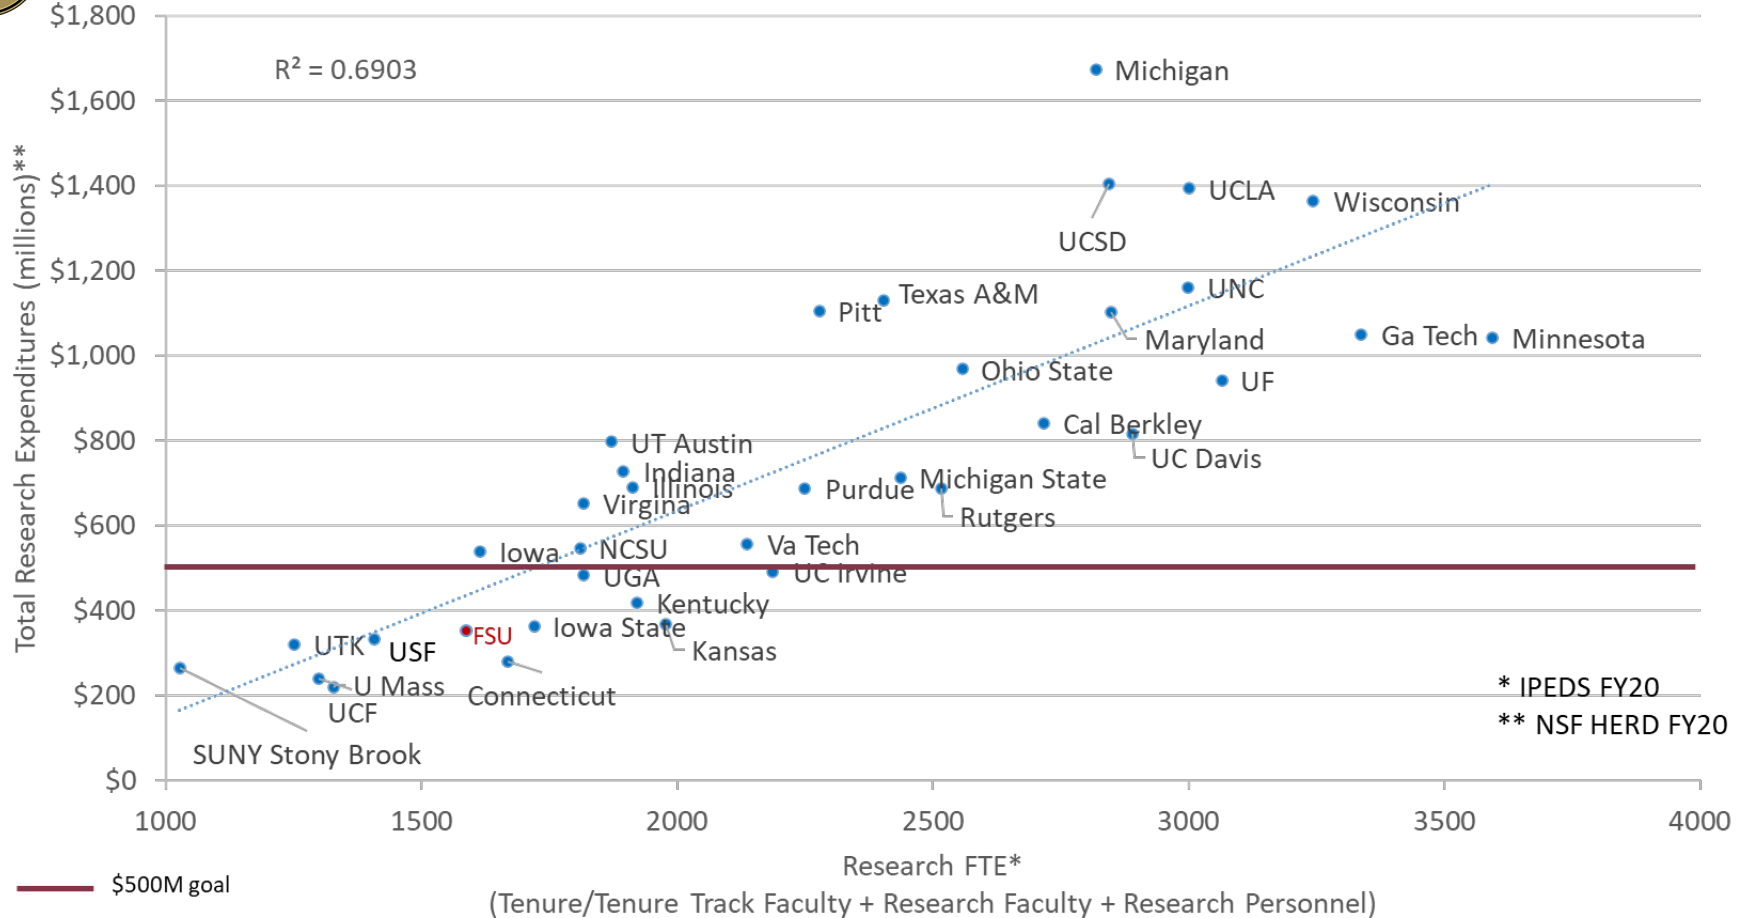

## 2. Diversify sources of funding

As a percentage of total funding, Aspirational Peers have an average of 8-10% from private sector partners. Closing the private funding gap is worth an additional \$20 - 25M to our institution.

# 3. Strategic Recruiting

## 4. Partner, partner, partner...

- Large, center-type or hub proposals and awards
  - Focus on high-potential areas
  - Willingness to partner
  - Takes significant infrastructure
- Translational research → leading to commercialization opportunities
  - Industry-led problem identification
  - Improve all stages of the commercialization process
  - Seek community engagement
- State and federal relations initiatives
  - Agency plus ups
  - State priorities
  - Program office and agency lead engagement
