Instructor Guidance for COVID Student Issues in Classroom			
Scenario	Guidance	Contact	Resource
Student is not wearing a face covering	Communicating clear guidelines at the start of each term will aid in setting the tone in the classroom. FSU has an expectation that masks will be worn by all individuals in all FSU facilities and encourages use of K or N95 medical-grade masks. The Instructor may request that students wear masks in the classroom and state this expectation, but may not require them. Student refuses to abide by seating chart or assigned seating	If the Instructor is utilizing a seating chart or assigning seats in class, the Instructor may require that students sit in the seat to which they are assigned or have chosen for the semester, unless the student arranges with the Instructor for a seat change.	No contact necessary	<a href="#">Faculty Handbook</a> <a href="#">Fall 2021 Expectations for Campus</a>
Student discloses to Instructor that they have tested positive for COVID-19, or that they have been exposed to someone who tested positive and meet current guidance for mandatory quarantine.	The Instructor should direct the student to leave class immediately and instruct the student to contact the SAFER team to discuss compliance with any FSU or Florida Department of Health isolation or quarantine orders. The Instructor should then contact SAFER to report the incident. The Instructor should be prepared to identify the student and any students or staff who interacted closely with them. ## Spring 2022 COVID-19 Student Classroom Compliance Issues Guidance

Student is disruptive during class	Instructors may ask that students leave class immediately when they do not comply with directives and their behavior is disrupting the learning process. Instructors should remind students that behavior that does not meet University standards can subject them to charges under the Student Conduct Code. Instructors who have concerns about disruptive student behavior should report that concerning behavior at <a href="http://report.fsu.edu">report.fsu.edu</a> .	<a href="#">Report Concerning Behavior</a>	<a href="#">Faculty Handbook</a> <a href="#">Student Conduct Code</a> <a href="#">Fall 2021 Expectations for Campus</a>
Student refuses to leave class after directed to do so	If a student refuses to leave a class after being directed to do so by the Instructor, the Instructor may end class in order to de-escalate the situation. The faculty member should notify the appropriate administrator and submit a report at <a href="http://report.fsu.edu">report.fsu.edu</a> .	<a href="#">Report Concerning Behavior</a>	<a href="#">Faculty Handbook</a> <a href="#">Student Conduct Code</a> <a href="#">Fall 2021 Expectations for Campus</a>
Student behavior becomes disruptive and poses a risk to the Instructor's safety or the safety of students.	After ending the class, if the student's behavior poses a risk to the Instructor's safety or the safety of that student or other students, FSUPD should be notified for assistance.
